

Training Opportunity

NFPA 1403 COMPLIANCE OFFICER TRAINING

When: Attend ONE of the following dates:
June 9, 10, 11 from 08:30-12:30

Where: Roanoke Regional Training Center

Instructor: Don Hanson

Registration: Roanoke Fire-EMS Training Division

This course is designed for all instructors skill levels to meet current NFPA 1403 standards. Information will be discussed on Live Fire ground training, preplanning, safety considerations while conducting controlled live burn exercises and logistical planning for approved VDFP training exercises.

In order to participate in recruit school training evolutions, you must attend a NFPA 1403 compliance course, prior to the start of recruit school. The course will be offered for 3 days, you will only need to attend one of these dates. Training will be done off duty and no compensation will be given for participation.

Prerequisites: All current Fire Instructor Levels, Hazardous Materials Operations. Any instructor that will take part in Live Fire Training Evolutions will be required to attend this course.

If you are interested in taking this course, please call Roanoke County Fire Administration office to register at 561-8070.
